Gastein offers a variety of local transport to get you around in the valley. You can chose between public buses, city buses and taxi. For bus timetables and contact details of all taxi services in the Gastein go to www.gastein.com/en/service/local-transport or scan this QR code.

GET A TASTE OF GASTEIN!

Many of you come from different parts of the world and we want you to "get a taste" of the Gastein Valley. Therefore, we invite you to enjoy your pre-race dinner on Saturday evening (23.06.) in one of our 22 adidas INFINITE TRAILS partner restaurants, instead of queuing up for some pasta. You can choose food that you like, eat at your preferred time and bring your family and friends along.

Better than a meal voucher

With your starter package you have received a *Gasteinertaler* – the local currency in the Gastein area that can only be traded in local businesses. adidas INFINITE TRAILS is a sustainable event, so we focus on regional sourcing and by using the *Gasteinertaler* we protect local employment and support the sustainable development of the whole Gastein Valley.

How does it work?

Our adidas INFINITE TRAILS partner restaurants are located in Bad Hofgastein, Bad Gastein and Dorfgastein and offer a wide range of cuisine, for vegans and meat-lovers, from local country-style to Italian. For your *Gasteinertaler* you can get a selection of dishes in each of the listed restaurants. If you rather prefer a 300g steak, you may also eat à la carte and use the *Gasteinertaler* to pay part of your bill. Reservation is recommended.

Scan the QR code to open a detailed map of each location.
